

Special Educational Needs Society

To whom it may concern

This is to certify that *Mr Trilo Gujadhur* has been participating on a voluntary basis to the activities of our society, since its foundation in 1993. He has been giving Yoga lessons for children with learning difficulties (dyslexics and slow learners). The latter have fully enjoyed and progressed under his guidance. Moreover, *Mr Gujadhur* has agreed to participate as from January 1996 in our scheme of special classes integrated in normal schools. Therapy sessions are to be held at our learning centre during school hours as part of the programme. He will also continue giving help to our members outside school hours on a regular basis.
